INFORMATION

INSPECTION

All cattle may be inspected prior to sale by phoning vendors or on sale day from 9am.

DELIVERY

Delivery will be given on sale day or up to 14 days after sale. All care is given however no responsibility is taken, we encourage you to insure your bull.

INSURANCE

Representative will be in attendance.

TRANSPORT Carriers in attendance on the day.

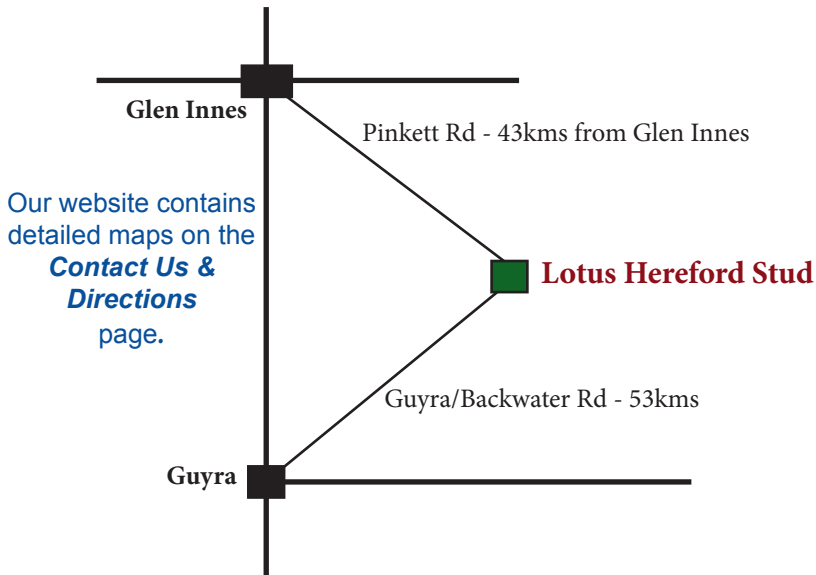

HEALTH

Bulls fully vaccinated with 7 in 1 and Pestiguard. Vendors will inoculate bulls going into tick areas if requested by purchaser.

REFRESHMENTS

A BBQ & light refreshments will be available on sale day

*** Limited mobile phone service at venue***

HOW TO REGISTER with ELITE LIVESTOCK AUCTIONS

Welcome to the new age of selling livestock in
Australia and "Happy Bidding"

-  1 Simply go to **www.elitelivestockauctions.com.au** using your desktop, laptop, iPad, iPhone or android device
-  2 Click on the "**Sign Up**" page / link
-  3 Create a bidding profile using the bidder registration page.
(You can either register as a livestock agent, company or private buyer.)
-  4 Agree to the Elite Livestock Auctions Terms & Conditions and the Selling Agents Sale Terms & Conditions as printed in the official Sale Catalogue
-  5 Click "**Register**"
-  6 You will then be notified by email that an account has been created

-  7 Once an account has been created you are all "**Set to Bid**"
-  8 Each auction can then be viewed by clicking "**Live Auction**" logo on the Elite Livestock Auctions website
-  9 Once you receive email notification that your account has been created please go to the sale you wish to bid at and click "**Request to Bid**"
-  10 The sale agents will then approve your application to bid and on the sale catalogue you will see "**✓ Bid Request Approved**"
-  11 On Sale day simply login, click "**Enter Auction**" on the catalogue page and you can start bidding.
(There is no need for software download)
-  12 At the completion of the auction, invoicing will be carried out as per your registration details by the Selling Agents.

BREEDPLAN INFORMATION

Breedplan is a performance evaluation programme that describes the genetic merit of commercially important traits. This genetic merit is given as an Estimated Breeding Value (EBV) for each trait. The averages for this drop of calves is shown below.

Birth Weight EBV(kg) is based on the measured birth weight of progeny, adjusted for dam age. The lower the value the lighter the calf at birth and the lower the likelihood of a difficult birth. This is particularly important when selecting sires to use over heifers.

200-Day Growth EBV (kg) is calculated from the weight of progeny taken between 80 and 300 day of age, adjusted to 200 days and for age of dam. This EBV is the best single estimate of an animals genetic merit for yearling weight.

400-Day Weight EBV (kg) is calculated from weight of progeny taken between 301-500 days of age, adjusted to 400 days and for age of dam.

600-Day Weight EBV (kg) is calculated from the weight of progeny taken between 501-900 days of age, adjusted to 600 days and for age of dam.

Mature Cow Weight EBV (kg) is based on the cow weight when the calf is weighted for weaning, adjusted to 6 years of age.

Milk EBV(kg) is an estimate of an animals milking ability. For sires, this EBV indicated the effect of the daughters milking ability, inherited from the sire, on the 200 dy weight of her calves. For dams, it indicates her milking ability.

Scrotal Size EBV(cm) is from the circumference of the scrotum taken between 300-700dys of age and adjusted to 400dys of age. This EBV is an estimate of an animals genetic merit for scrotal size. There is also a small negative correlation with age of puberty in female progeny and therefore selection for increased scrotal size will result in reduced age at calving of female progeny.

Carcase Weight EBV (kg) is based on abattoir carcase records and is an indicator of the genetic differences in carcase weight at the standard age of 650 days.

Eye Muscle Area EBV (sq cm) is calculated from measurements from live animal ultrasound scans and from abattoir carcase data, adjusted to a standard 300kg carcase. This EBV estimates genetic differences in eye muscle area at the 12/13th rib site of a 300kg dressed carcase. +EBV indicate better muscling on animals.

Rib Fat & Rump Fat EBVs (mm) are calculated from measurements of subcutaneous fat depth at the 12/13 rib site and the P8 rump site (from live animal ultrasound scans & abattoir carcase) and are adjusted to a standard 300kg carcase.

Retail Beef Yield EBV (%) indicates genetic differences between animals for retails yield % in a standard 300kg carcase. Sires with larger EBVs are expected to produce progeny with higher yielding carcasses.

Intramuscular Fat EBV (%) is an estimate of the genetic difference in the percentage of intralular fat at the 12/13th rib site in a 300kg carcase. Depending on market, larger more positive values are generally more favourable.

HEALTH AND SAFETY OF VISITORS TO OUR SALE

All the sale bulls have been screened for temperament and are quiet to handle under normal circumstances. However there are inherent risks associated with cattle handling.

People entering the yards are at risk of injury. Be especially alert of bulls fighting. Sale day places extraordinary pressure on them as they experience an entirely foreign environment.. Do not crowd the bulls or loiter inside the pens. We cannot cover every example of the dangers of cattle handling, so please use common sense and be alert at all times. Don't enter the pens unnecessarily.

Please call upon any of the agents or ourselves for an escort through the bulls if required. The days of bravado with stock have passed under current OH&S legislation.

VISITORS ENTER THE CATTLE PENS AT THEIR OWN RISK. CHILDREN UNDER 14 YEARS MUST BE ACCOMPANIED AT ALL TIMES BY AN ADULT.

SALE CATALOGUE DISCLAIMER

All reasonable care has been taken in ensuring the information provided in this catalogue is correct at the time of publication. The vendors take no responsibility for the accuracy, reliability and/or interpretation of the information supplied in this brochure. Purchasers must satisfy themselves that the livestock offered meets individual requirements.

CONDITIONS OF SALE

1. That the highest bidder shall be the purchaser, and in the event of any dispute arising it shall be settled by the Auctioneer, unless one of the claimant will advance, in which case the lot or lots shall be put up again. The Auctioneer reserves the right of one bid on behalf of the vendor.
2. The purchaser shall deposit twenty five %, or the whole amount of the purchase money (if required) at any time during the sale.
3. Pro-forma delivery shall be deemed to have been given on the fall of the hammer and all stock shall be paid for in cash immediately at conclusion of the sale and prior to delivery but in the event of delivery being made or possession obtained by the purchaser or his representative prior to payment of purchase money, then until payment in full of the purchase money or any cheques given on account of same, the purchaser to hold stock as trustee only for the vendors.
4. Each lot shall be at the risk and the expense of the purchaser immediately upon the fall of the hammer and shall be taken delivery with all faults and errors of description except where other wise undertaken by the vendor.
5. No female is warranted either to be or not to be in calf.
6. Lots will not necessarily be offered in numerical order.
7. No warranty is given by the Auctioneer with any lot and as all lots are available for inspection previous to the commencement of the sale the same are sold with all faults, if any. No compensation shall be made in respect of any fault or error of description of any lots sold, if the purchaser shall neglect or fail to comply with any of the above conditions and stock purchased by him may be immediately resold by public auction or private contract with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and the expense arising out of such resale and shall not participate in any profits accruing therefrom.
8. The auctioneer may, with out giving any reason therefore, refuse to accept the bidding of any person or persons.
9. Act No 28, 1841. In conformity with Section 47 of the above Act buyers attention is drawn to the relevant matter contained in Section 45 & 46 of Act No 28, 1941.
10. The purchaser authorises the Auctioneer and /or the Auctioneer's clerk to sign on his behalf, the contract of Sale, which with these conditions shall constitute the whole contract between vendor and purchaser to the exclusion of everything else including warranties otherwise implied by law.

NorcoRural Glen Innes

'Can help you with all your agricultural needs'

Norco Rural Stores are 100% owned by Aussie farmers and that means we know what farmers need. It also means we know what they want; Real value, good honest service and great advice.

It's as simple as that!

All the very best on the day to 'Lotus Herefords'

Norco Rural Stores - Because there's a farmer in all of us

Norco - an Australian, farmer owned
dairy co-operative since 1895
